

8 THINGS EXPERT TEACHERS FOCUS ON FOR AWESOME RESULTS

The fundamentals to empower your teaching
for student success.

1

Content

*They know their content
within the context of their course.*

2

Capture

They capture the attention of their students.

3

Communicate

*They communicate in a language
their students can understand.*

4

Connect

*They connect new content to previous lessons
and to the course as a whole.*

5

Coach

*They coach their students on
as they push them
to try and learn new things.*

6

Cumulative

*They teach in a cumulative way,
always reviewing and connecting.*

7

Clear

*They set clear expectations
for the class and each assignment.*

8

Consistent

*They are consistent in
every aspect of the class.*

Summary

1. Content

2. Capture

3. Communicate

4. Connect

5. Coach

6. Cumulative

7. Clear

8. Consistent

Questions

1. Which one do you need to work on this semester?

2. What tools do you need to make those improvements?
