

Swim Little Fishy by Al Start, Go Kid Music (2018)

Swim little fishy, swim
But what am I swimming in?
The ocean is not a bin
So why'd you throw your plastic in
We're gonna rub-a-dub, scrub-a-dub and clean it up!
We're gonna rub-a-dub, scrub-a-dub yeh, clean it up!
We're gonna rub-a-dub, scrub-a-dub and clean it up!
Because there's nothing worse than a litter bug!

Well, what did your Mama say?
I didn't bring you up that way
You gotta throw your rubbish away
Or recycle for another day
We're gonna rub-a-dub, scrub-a-dub and clean it up!
We're gonna rub-a-dub, scrub-a-dub yeh, clean it up!
We're gonna rub-a-dub, scrub-a-dub and clean it up!
There's nothing worse than a litter bug!

Eight million tonnes a year
Is dumped in the sea I fear
But now that we know, it's clear
We gotta make it disappear
We're gonna rub-a-dub, scrub-a-dub and clean it up!
We're gonna rub-a-dub, scrub-a-dub yeh, clean it up!
We're gonna rub-a-dub, scrub-a-dub and clean it up!
Because there's nothing worse than a litter bug!

Oh there's nothing worse than a litter bug
There's nothing worse than a litter bug
There's nothing worse than a litter bug
So we're gonna have to clean it up!
Yeh rub-a-dub, scrub-a-dub, clean it up!
Rub-a-dub, scrub-a-dub, clean it up!
Rub-a-dub, scrub-a-dub and clean it up!
Because there's nothing worse than a litter bug!
