Love Songs Circle Song Sing Along original songs by Miranda Rondeau pg 2

AM Longing

I am longing, longing for you
You are the Source of my desire
May my heart be kindled by your fire
I'LL BURN FOR YOU

I am searching, searching for you
May I see with Divine Eyes
May every sight I see your presence be
I SEE ONLY YOU

I am listening, listening for you
May your songs of love be heard
May my ears be open to your words
I HEAR ONLY YOU

I am going, going towards you
You are all roads I walk upon
May every step I place be sacred space
I WALK WITH YOU

Holiness, holiness all around
There is no place where you can't be found
Holiness, holiness all around
There is no place where you can't be found
