

Make your own gouache travel painting kit

To make your own gouache painting kit gather:

1 mint tin + 6 empty water bottle caps + super glue or gorilla glue

1 tube of white gouache + 5 tubes of gouache paints in colors of your choice. Glue the empty caps into the tin, after the glue dries squeeze out a little paint into each cap.

Additional supplies needed to paint with gouache include 1 Ziplock bag + paper towels + water cup + #6 round brush or dagger brush, permanent ink pen or pencil and watercolor paper 140lb cold press or 300gsm

Below are a few of my gouache paintings
