

I pray you have already begun to receive revelation for your life with your adrenaline pumping in the first two modules. I pray you will, at the end of this course, begin to feel a difference in becoming a better woman for the Kingdom of God. I pray your mindset will be one of advancement and purpose in Christ.

Now that you have covered the foundation, it is time to dive deeper.

What does it mean to develop a deeper walk?

According to Cambridge Dictionary, the word 'develop' means 'to (cause something to) grow or change into a more advanced, larger, or stronger form'. Therefore, growth and an advanced and stronger relationship in your walk with Christ should be attained.

A deeper walk means being transformed, or coming into alignment with Christ and His Holy Spirit, to be positioned in Him (as we are about to see) for His will to be accomplished in your life.

What does a deeper walk require?

Rarely anything just 'happens' or 'falls into our laps'. We wish we could snap our fingers and lose the weight. We wish we could say a prayer and become millionaires in an instant.

However, this is not how life works. We have to work for what we want. Faith without works is dead. Even the Israelites had to fight nations to possess the Promised Land. The land was promised, but it was occupied. They had to put in the work.

Sister, a deeper walk with Christ requires work. It will not just 'happen'. It means carving out time to spend with God. It means deliberately and intentionally taking the time to learn to listen to His Holy Spirit. It means shedding activities and friends that pull us physically and mentally away from Him.

Consistency and discipline in meditation and diving deeper into His Word to gain more understanding would be key, to learning about who He is and what He would have you do.

Why a deeper walk?

Well, why not? The phrase 'God has a plan for my life' is not just a cliché. Think of what this means. According to Google, a 'plan' is a detailed proposal for doing something. God has a detailed proposal specifically for your life that He desires to reveal to you. This plan includes exceeding abundant blessings you can never begin to imagine for yourself.

Why not develop a deeper walk to know this, the vision, purpose, secrets He has for your life? As you will see in this course, in case you did not know it, God has 'deep things' He wants to show you, but He only shows you through His Spirit.

But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.  
10 But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God. 1 Corinthians 2:9-10

The deep things can only be learned through listening to His Spirit. It is not enough to go to church or to learn verses or even be active in church. A relationship with Christ and His Holy Spirit is vital for growth and fulfilling the plan and purpose He has for your life.

### The Results of a Deeper Walk...

He will reveal the deep things, plans, assignments He has for you and only you. This is essential especially in these last days as Jesus is coming soon and His, your assignments in Him need to be accomplished.

Listening to the Holy Spirit will mean wisdom in all areas of life, enhancing your marriage and your relationship with your children. You will have the ability and access to perform activities with God's supernatural power.

## DEVELOPING A DEEPER WALK

You will become a stronger woman, the same woman at home, work and anywhere because you understand the Spirit of Christ resides in you and you represent Him wherever you go.

God has a myriad of plans, benefits and blessings for you and a deeper walk with Him means nothing is impossible. Develop a deeper walk to receive all He has and wants to do through you.

Now on to Module 3 - What It Means to Be 'In Christ'!
