**My Income Goal For the Next 12 Months is:**

**My Big Income Goal is:**

**I want to work \_\_\_\_ Weeks out of the year.**

**I want to work \_\_\_\_ Week's out of the month.**

**I want to work \_\_\_\_ Day's a week.**

**I want to work \_\_\_\_ Hour's per day.**

**In order to make my Income goal how much do I need:**

**Per Month:**

**Per Week:**

**Per Day:**

**Based on my current business structure/pricing, is that goal possible and if so how many clients would I need?**

**If I revisited Program Design - how many clients would I need?**
