

HOMework DELIVERY #1

SPEAK ON A TOPIC

You will be delivering a talk on a specific topic during the next class. Everyone will draw a topic from the bowl. The topics include: pendulums, oracle/tarot decks, crystals, herbs & salts, candles, essential oils, and intuitive gifts.

OBJECTIVE

1. You must provide an educational focus on your topic.
Example: How to Use Oracle Cards? How to Use a Pendulum to Clear a Space?
2. Your talk must be at least 5 minutes and less than 10 minutes. NOTE: Being able to manage your time will be important.
3. Think about the strategies from the Public Speaking section.
4. Include what you have learned about Storytelling.
5. The goal is to grab the audience's attention. Will they remember any of the key points from your presentation?
Keep in mind everyone's learning style .

I recommend practicing with family and friends. Ask them to provide honest feedback to you.
