

MMI Mock Sheffield - Tutor Guidance

For some stations, you will need to ask follow up questions. These are not shown on the interviewee's document, as they are involved in the role play. Use this guidance and ask the questions shown.

Station	Acting Guidance
Station 6	Act as a patient with an artificial pacemaker: <ul style="list-style-type: none">• It is one which is on constantly, always correcting the heart rhythm• It has little impact on your family life other than causing your wife to worry a little• You used to be a semi-pro footballer and even played against Liverpool once. Talk about the sadness of your career being ended by your illness.• Become a little bit sad and see how the student reacts.
