

Free Public Access to Federal Contract History Federal Procurement Data System – Next Generation

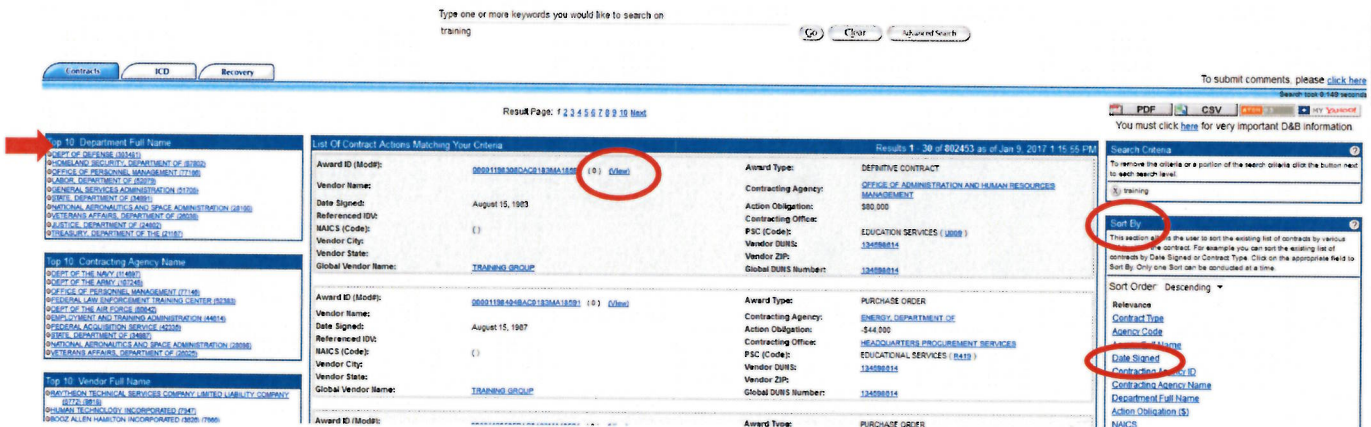

https://www.fpds.gov

Using FPDS-NG ezSearch is easy! Follow these steps:

- Go to the Federal Procurement Data System-Next Generation home page at the URL above
- Enter a “search” criteria into the ezSearch box

- The “Sort By” feature box using the “Date Signed” parameter will find the most recent information
- You can narrow your results by specific government agency, top 10 departments, contracting activities, or vendors
- Click on “view” to see additional details on the contract including dollar value
- You can export your search results into a spreadsheet

Benefits of using FPDS-NG:

- ✓ No need to register to search the database
- ✓ Database houses award data for all federal contracts in excess of \$3,500
- ✓ Use data to match the product or service that you want to sell to government contracting offices
- ✓ All contract information is available to the public – Note...public posting of Department of Defense Award data is delayed for 90 days

4. Go to the System for Award Management website (www.sam.gov). Click on “Search Records.”

The screenshot shows the SAM.gov website interface. At the top right, there is a link for "View assistance for SAM.gov". Below this is a login section with fields for "Username" and "Password", a "Log In" button, and links for "Forgot Username?" and "Forgot Password?". A "Create an Account" link is also present. A red arrow points from the instruction text to the "SEARCH RECORDS" link in the main navigation menu. The navigation menu includes "HOME", "SEARCH RECORDS", "DATA ACCESS", "CHECK STATUS", "ABOUT", and "HELP".

The main content area features a heading "The System for Award Management (SAM) is an official website of the U.S. government. There is no cost to use SAM. You can use this site for FREE to:" followed by a list of services:

- Register to do business with the U.S. government
- Update or renew your entity registration
- Check status of an entity registration
- Search for entity registration and exclusion records

Below this is a "Getting Started" section with three main actions:

- Create A User Account:** Start by creating a SAM user account.
- Register Entity:** After creating your SAM user account, log in to register to do business with the U.S. government.
- Search Records:** Do a public search for existing entity registration records or exclusion records. Federal users can log in to see additional information.

The footer contains the GSA logo, the text "IBM v1.P.7.20171102-1229", and a list of links: Search Records, Data Access, Check Status, About, Help, Disclaimers, Accessibility, Privacy Policy, FAPIIS.gov, GSA.gov/IAE, GSA.gov, and USA.gov.

Search Records

Search Tips to Get Started:

- Looking for entity registration records or entity exclusion records in SAM? Use **Quick Search** if you know an entity's Business Name, DUNS Number or CAGE Code. Use **Advanced Search** to structure your search using multiple categories and criteria.
- Are you a Federal government employee? Create a SAM user account with your government e-mail address and log into SAM before searching to see FOIU information and registrants who chose to opt out of the public search.
- Conducting small business-focused research? In addition to what is contained in SAM, small businesses can provide the Small Business Administration (SBA) supplemental information about themselves. Use the [SBA's Dynamic Small Business Search](#) to conduct further market research.
- Trying to find a contractor participating in the Disaster Response Registry? Use the **Disaster Response Registry Search** to locate contractors willing to provide debris removal, distribution of supplies, reconstruction, and other disaster or emergency relief services in the event of a national disaster.
