

# GROW NJ KIDS HOME VISIT CENTER-BASED STANDARDS

Standard	Requirement	Measurement
3.3.4	Home Visits are done with at least 10% of enrolled families once a year using standard guidelines. Evidence of offer required.	NJCQR will review: documentation of offered home visits for 10% of participating families. Documentation from completed HV will be viewed on site in children's folders.
3.4.4	Home Visits are done with at least 10% of enrolled families twice a year. Evidence of offer is required. Home visits must also be conducted.	NJCQR will review: Documentation of offered home visits. (Submit evidence of offered home visits electronically; documentation from completed home visits will be reviewed on site in Children's Folders) Evidence must reflect that home visits were offered to all enrolled children 2x a year
4.2.3	All teaching staff members to receive training on the benefits of home visits and how to plan for a home visit.	Training taken and verified by TAS

*Note: While it is not required that the child be in attendance during the visit, it is recommended when you want to learn more about the interests of the child.*
