Subject: We Did It! Here's Who Led the Way in the Invite Challenge

Hey Team,

What an amazing journey we've had with the **Lead the Way Invite Challenge!** I'm so proud of how everyone has stepped up and personally invited people to our Christmas services.

🎉 **A huge congratulations to [Winning Team]** for leading the way with the most invites per capita! Your efforts have inspired all of us, and I know God will use your invites to reach people in powerful ways this Christmas.

But here's the exciting part: **now is the time to start praying for everyone we've invited.** Let's lift up all those people in prayer, asking that they'll attend, encounter Jesus, and experience the hope and joy we're celebrating this season.

Thank you for your faithfulness in stepping out and leading by example. I can't wait to see what God will do through this.

Merry Christmas, and let's keep praying and believing for great things!
