# Baby Extra Activities Hands on at Home Milk Bottle Lid Shakers

#### You will need:

Plastic milk bottle caps washed and dried (2 per shaker) Small plastic beads/sand/rice anything that will make an interesting noise! Duct tape Scissors Stickers (optional)

Method:

- Use some rice, two milk bottle lids and some tape to create a shaker
  Decorate your shaker with some stickers
- 3. This shaker is a lovely size for little hands, but please remember to always supervise play with this homemade toy
- 4. Sing some songs together as you use the shaker

### Method:

1. Make a sensory mix of raw oats and cinnamon

- 2. Place it in a tub with low sides and hide some lids, sticks and pegs in the mix
- 3. Talk about all the things your little one is experiencing with his/her senses as you play

 Set up and obstacle course with pillows and pegs, sticks and lids
Encourage your baby to crawl over the pillows to go and fetch the exciting items laid out

- 3. If your baby is not yet crawling, encourage some tummy time and rolling towards the objects
- 4. If your baby is already walking, you can still encourage crawling in this activity as crawling has many benefits

# Baby Extra Activities Hands on at Home Peek-a-Boo!

## Method:

1. Hide some lids, sticks and pegs in different places in

relation to your box – inside, on top of, underneath, behind, next to etc.

2. This activity is a great way to teach your little one about different prepositions
