

## Sublimation + DTF Camp 2024 Supply List

This is a printable list of supplies for ALL classes in this year's camp. Please note that some supplies may be repeated. You also do not have to purchase all of these supplies.

You can pick a few of the classes to craft along with and then do the other projects at a later date. Or you can choose to just watch the classes and decide later which supplies you would like to purchase. Either way, we hope you love Sublimation + DTF Camp 2024!

*NOTE: For links to the supplies used, go to each class in Sublimation Camp and scroll down to the more information link.*
