Secrets of Terrific Type

Lesson 01-08: Favorite Font Sites

Below I will list the websites, along with a list of features, that I covered in the accompanying video. The video version shows the websites as I surf them in detail.

Dafont.com

Url: www.dafont.com

- Great website for locating fonts for personal use.
- They have a LARGE library of fonts for download.
- Can search for fonts by category or style.
- Can search for font designer by name.
- Be careful to avoid clicking on ads.

The Hungry Jpeg

Url: www.thehungryjpeg.com

- Great website for purchasing fonts for commercial use.
- They have a large FREEBIE section which includes fonts.
- They have a large \$1 section which includes fonts.
- They also sell bundles, including font bundles for a great discount.
- Subscribing to their newsletter is recommended as they send out a weekly freebie which is often a font.
