## Secrets of Terrific Type

### Lesson 01-09: Favorite Font Sites, Continued

This manual will list the websites I cover in the accompanying video.

#### Font Squirrel

Url: [www.fontsquirrel.com](http://www.fontsquirrel.com)

- Great website for locating FREE commercial use fonts.
- ALL fonts are FREE for commercial use with a standard license.
- Can search for font by category.
- Few ads to mislead you.

#### Creative Market

Url: [www.creativemarket.com](http://www.creativemarket.com)

- Great website for locating commercial use fonts.
- Offer 6 free products every week and there is almost always one or two fonts included in the 6 items.
- Sell individual fonts as well as font bundles.
- Font bundles offer a better bang for your buck.

#### Design Cuts

Url: [www.designcuts.com](http://www.designcuts.com)

- Great site for purchasing font bundles for commercial use fonts.
- Have a Freebie Friday that occasionally includes a free CU font.
- Allow you to create your own bundle for a discount.

#### Font Bundles

Url: [www.fontbundles.net](http://www.fontbundles.net)

- Another website that sells font bundles for a deep discount.
- They have a LARGE list of commercial use friendly fonts for FREE in their freebie section.
- They sell individual fonts as well.

## Mighty Deals

Url: [www.mightydeals.com](http://www.mightydeals.com)

- Great website for locating font bundles.
- Have a freebie section that includes some fonts.

One last thing, if you need help with how to install a font, I have included instructions for Windows and Mac in the downloads portion of this class. You will find it in the manuals and it will be called STT3E-How-To-Install-Fonts-Manual.
