

# Business English Space

## Exercise 2

- Draw lines to complete each sentence 1-5 with the best ending, A-E.
- Use each ending once only. You'll need to think in particular about the meanings of the first word in each ending.

### Installation of new heating system

1. The problems with the heating system first arose
2. Work on installing a new system will begin
3. Work is expected to continue
4. Some offices will then be painted, and this should be completed
5. Staff should be prepared for a lot of noise

- A. by the end of October.
- B. for three or four days.
- C. in September.
- D. until the work is finished.
- E. on the 17<sup>th</sup> of next month.

Which word from A-E

6. means *no later than*? .....

7. introduces a phrase that gives the length of a period of time? .....
