MATERIAL LIST

Fits on a Single table 30" x 96" (76 cm x 243 cm) or you can use shorter table and as shown on video.

The fabric dimensions below are for a finished size shawl of 20" x 60" (51 cm x 152 cm) allowing for 1/3 shrinkage, or 35%.

• Silk fabric: 3 yards habotai, or gauze/chiffon (4-5 momme)
  For single color option, with ruffle on one side: 30" x 90" (76 cm x 228 cm)
  For two-color option, with ruffle on one side: one piece 16" x 90" (41 cm x 228 cm) and the other piece 18" x 90" (46 cm x 228 cm), this last one will have the 2" ruffle. There is a 2" overlap between the fabric. Please do not mix fabrics because it will throw off your shrinkage rate).
  • 6 ounces (170 grams) merino roving top, 19 micron or less. No more than two colors is suggested.
  • silk scraps, silk fiber, silk hankies, bamboo or tencel fibers etc., for embellishment. 4 ounces (112 grams)
  • 36" (91 cm) x 96" (244 cm) Nylon curtain, tule or mosquito screen, permeable mesh to cover and wet fiber during construction. (optional)
  • Olive oil soap or 7th Generation dish soap
  • 36" (91 cm) pool noodle of 1.5" (3.8 cm)
  • Scissors
  • 6 ties (old nylon stocking is perfect)
  • A measuring tape and calculator (plus note book)
  • 30" (76 cm) x 96" (243 cm) bubble wrap surface (small-soft bubble type sold for shipping), OR non slip rubber grip mat
  • 24" (60 cm) x 24"' (60 cm) non slip rubber mat for sample making
  • Pkg of .7 mil painters drop cloth style plastic
  • 1 dish pan
  • 1 small bucket with dipping cup or ballbrause or sponge
  • at least 2 towels
  • Table risers - You can purchase bed risers at many stores or simply use PVC pipes
