

15. Adjective Usage

1. 2, 3, 1

2. (below)

Greek is difficult. When you start, you think it will be easy, but as you go along you find out that it is hard. Hopefully, you will have a skilled teacher who can guide you through the murky waters. Don't give up! The persistent will reap a great reward.

Jesus said that the meeek would inherit the earth. All have heard this saying but few believe it to be true. Instead, it seems like greedy, immoral people tend to get ahead in our troubled world. This is terrible!

3. c
