

PRESENTER SCRIPT 3

It's a wet Thursday evening and here's another trip down memory lane with Mike's Classic Rock here at Smooth FM 88.9, the voice of Uptown Radio.

We have the Rolling Stones on tap tonight along with a little Steppenwolf and a healthy serving of Led Zeppelin. So let's start the evening with a regular favorite, "Stairway to Heaven."

You just heard Stairway to Heaven. More than 40 years after its release, this remains one of the top influences on rock music.

The rain's really piling up out there. I can hear a few thousand students chanting, "Let it rain" and a few hundred parents crying. I don't mind the rain. Why? This is the only time of year when my yard looks as green as the one next door.

You are listening to Mike's Classic Rock on 88.9 Smooth FM, the voice of Uptown Radio. Next up is a song sure to make you forget all about the rain for a while – 'We Are The Champions'.
