

7 Things to Consider Before You Start Writing

1. What are your motives for writing this book?
2. Who are you writing this book for?
3. Will you self-publish with an established company or create your own? <http://dareeallen.com/your-story-journaling-to-purpose-with-the-butterfly-necole>
4. Who will do the actual writing—you alone, you with co-writers, or a ghostwriter?
5. Are you creating a printed version, and ebook, or both?
6. When do you want this book to be available for purchase?
7. Do you have available savings and a realistic budget?
