

Hello! Is a language other than English your first language?

If so, then welcome to the *Basic American English for Beginners Course*, where you can achieve sufficient understanding of English to survive and eventually thrive in virtually any English-speaking region around the world.

The *Basic American English for Beginners Course* provides instruction in reading, listening, writing, and conversation. You'll learn skills such as vocabulary, word usage, idioms, grammar, spelling, speaking, listening, pronunciation, and conversation.

Enroll today for 29.99 for the whole package which includes almost 100 pdf pages of reading, writing, and speaking exercises, numerous videos for audio reinforcement, plus fun games such as word searches, crossword puzzles, spelling challenges, and more. This package also includes a 160-question quiz to see how far you've already come.

An additional 29.99, gets you one hour of coaching from me, the instructor, Lee McQueen. I'm a writer, editor, and publisher. I'm a former librarian and substitute teacher. I've been a reading tutor and narrator of audiobooks. I'm also certified by TESOL to provide English instruction, which I've done for almost four years in Africa and the Americas.

If learning American English seems like a good and fun idea to you, then stop by my website, McQueen Press, and click "English Course."

Let's, you and me, get you started on your way!
