# IMITATION PART II

**SECTION 5 CLASS 7**

**MIMIC HOW INTENSE EMOTIONS ARE EXPRESSED  
IN THIS IMITATION OF KERRY WASHINGTON**

Print this out and write out the sounds how you hear Kerry Washington say them. Use this method of repetition and imitation from now on!

I want you. I want us. But I wanna slow down. I want our business handled. I want our problems fixed. I wanna be ready before the world is watching. Because once it is, once we're in that spotlight being picked at and scrubbed and stretched in every direction we will never get the chance to make things right. If we are broken going in, we're not getting out. Not together. They will destroy us. That's reality, Fitz.
