

# Questions that determine if you're in love

---

On a scale of 1 to 10 with 1 as the worst and 10 as the greatest, answer the following... carefully:

1. “How happy are you in your marriage relative to how happy you would be if you weren't in the marriage?”

*And*

2. “How do you think your spouse would answer that question?”

10:1 or is it 1:10
