Complete the Challenge

Using the provided photo, follow the instructions for stamping and coloring to create something similar to this image below.

Things to make a note of:

- I only painted in a small portion of the photo.
- I kept the paint lines and the border lines varied.

- I only painted in the purple parts of the flowers and left the dark areas unpainted.

- Do not move on to part 2 of this challenge until you've completed part 1.
- Try placing your stamped and colored image on a 7x5 greeting card.
- Consider using the paper and word art in the class downloads to finish things off.
- For easy online sharing of greeting cards, check out our [FREE Tent Card Template & Tutorial](#).
