

## Course information

### **How long do I have to complete the course?**

You will have a year to complete this course, which is to ensure you get the most out of the content. With an unlimited amount of time it is always tempting to forget about it.

### **Will the course be marked?**

There will be a short quiz at the end of each part; this is just to see if you have been paying attention! I will give you your mark back but it's not a graded system so if you only get 5 out of 20 of the questions I'm not going to fail you. It will just show you that you might want to read through that part again.
