

NUTRETICS HEALTH

Selecting a Fertility Clinic – Comparison Checklist

	Clinic 1	Clinic 2	Clinic 3
Clinic Name			
Contact details			
Visit clinic Find out any open days or information sessions or book in to visit the clinic and meet with the staff.			
Atmosphere What were my first impressions and how did I feel about the clinic atmosphere?			
Location Is the travel distance and time to clinic realistic for me or does the clinic have satellite clinics closer by?			

NUTRETICS HEALTH

Success rate of the clinic What is the success rate of the clinic and my individual chances of having a baby at that clinic?			
Waiting times What is the wait time for an initial appointment and the wait time for treatment?			
Cost What is the estimated total treatment cost, are there any extra tests etc. not included in total cost as well as the cost of freezing any spare eggs or embryos?			
My eligibility for treatment Does the clinic treat my fertility issue, does it require me to be within a certain BMI?			
Areas of expertise Are there doctors at the clinic who specialize in my specific fertility problem?			
Support What type of counselling is provided?			
Continuity of care Will I see the same doctors and nurses throughout my treatment?
