

supplies

- Pair of sunglasses (any size works)
- Anything you want to decorate your sunglasses with

tutorial

- 1) Decorate your sunglasses any way you want (inspired by the presentation)
- 2) Go out in the world and add your sunglasses to an inanimate object
- 3) Take a photo

Last Step: Display, Educate, & Document

Share your mission out in the real world.

Don't forget to educate someone about what you learned about this week's topic! Take photos of your mission! Let's see those spectacles!

Tag me @merrimentmaker on Instagram and #merrimentmaking and I'll reshare it!

ideas for where to put sunglasses

- Statues
- Plants
- Stuffed animals
- Skeletons
- Decorations
- Fences
- Playgrounds
- Condiments
- Office supplies
- Food
- Cars
- Glassware, Teapots, Vases
- Instruments
- Balloons
- Toys
- Tools
- Appliances
- Garbage cans
- Ghosts
- Furniture
- Signs
- Things with double O's

tips

- Look for faces in things
- Add googly eyes first if you can't find eyes
- Decorate the sunglasses
- Use different sizes (mini, giant)
- Layer the glasses (many at once)
- Dangle things from the glasses (mustaches)
- Don't limit yourself to two eyes (one, three, more)
- Create novelty glasses
- Hold the glasses up for a photo (make the sunset wear glasses)
- It doesn't have to be worn the front of a head or on the eyes
- Give a whole set of objects glasses
- If you don't have a pair of sunglasses, repurpose a pair in a store to another location within the store
- Bring glue dots or tape in case you need to secure your glasses

20 ways to celebrate

- Post with #SunglassesSelfie, #NationalSunglassesDay, and tag @TheVisionCouncil
