

# 1.5 Seed Money Tally

Name: \_\_\_\_\_ SOUL Center: \_\_\_\_\_ Date: \_\_\_\_\_

**Seed money** is money investors give companies to fund the start of their projects. Your team can earn seed money from your teacher by working well with one another and using conflict resolution skills. In your final presentation, you can point to the total of your earned seed money to demonstrate that your investors (your teacher) believe in your team because you work well together.
