

You will need:

- A 4x4 or larger square paper tile (preferably card stock or hotpressed watercolor paper) with a single circular gold nugget or Zen gemstone. Make sure the Nugget circle is approximately 1 to 1.5 inch in diameter (approximately 2.5 - 3cm), placed in the upper left side of the paper.
- Black Micron 01 inking pen
- Color inking pen matching color of gold nugget or gemstone. I use Derwent 01 Sepia (brown/ochre) inking pen.
- Colored pencils matching color of gold nugget or gemstone (light, medium, dark). I use Polychromos Ochre, Yellow and Burnt umber (dark brown).
- Black colored pencil
- White Prismacolor pencil
- White gel pen
- Super Dark gray bold marker. I use Copic N8.
- Medium gray bold marker. I use Copic N6 and N4.
- Watercolor paint or watercolor pencil in matching color to nugget or gemstone (I use ochre or rust brown)
- Water-brush
