B: Yeah, I also want a kitchen as big as yours。Your living room is also big and comfortable.

A: Yeah~~I think so, too. But I think the TV is too small, it's not comfortable to watch.

B: Would you like to buy a new TV?

A: I still don't know, not sure, I'm still thinking about it.

B: How about your room? Where is it?

A: Come here, my bedroom is here, look!

B: Wow~~your bedroom is big, and it has got lots of natural lighting!

A: That's right!! I like my bedroom soo much because it's really bright. It's very comfortable working here.
