## MONEY

### Definition

**A current medium of exchange in the form of coins, banknotes, or electronic currency.**

### Math Rap

**Life without it wouldn't be funny  
To buy or sell goods we use money  
When it all adds up it really makes sense  
An e-transfer, cash, right down to the cents**

### Inspection & Reflection

- **Where do polar bears keep their money? In a snow bank.**
- **Name three different coin combinations of 25, 10 and 5 cent coins that can be used to total \$1.35.**
- **Explain money in your own words.**
- **Design and draw a brand new \$20 bill (paper note) and 25 cent coin.**
- **What is the most amount of money you would spend on a pair of shoes?**
