## Amelia's Dressage Academy - October 2020 Suppleness of the Dressage Horse and Rider

	What is	suppleness	to v	ou?	What	does	a	supple	horse	feel	like?
--	---------	------------	------	-----	------	------	---	--------	-------	------	-------

What are you struggling with in you riding and training? How does this relate to suppleness?

Which of the suppleness exercises provided in the Academy is most useful to you and your horse and why?

What improvement have you seen in your riding and your horse since working on these exercises?

What do you want to improve and make better by then end of October? (Set a mini goal for yourself:)
