

LEARNING GOALS & OBJECTIVES

DEFINE the roles and responsibilities of an informed and compassionate dog guardian

IDENTIFY common dog training challenges and pain points and how to address them in a collaborative and partnership based framework

LEARN simple exercises and activities that promote a positive learning experience, utilize positive reinforcement, meeting dog specific needs, and promoting effective and clear communication

DEFINE what positive reinforcement and kind training is and practical applications for every day life

IDENTIFY how to create and maintain a more harmonious relationship and partnership based on mutual trust and respect
(aka how to be a respected and trusted leader and not an alpha)
