Enjoy the RV Journey!

Welcome back,

If I had to select a month I consider the kickoff to camping season it would be April. For most RV owners April is a good time to shake the cobwebs off the RV and get ready to go camping.

Check out this month's feature article for some checks to make

prior to heading out on your first RV adventure of 2024.

Don't miss this month's feature video that tells you everything you need to know about RV batteries.

Enjoy the newsletter, and as always if you have family or friends who like RVs and the RV lifestyle please share with them too.
