

# HustleMAMA

TODAY'S POWERHOUSE WOMAN

## **Dr. Stefany Jones** **#Hustle Mama: The POWERHOUSE Woman** **The Digital Empire Builder**

Dr. Stefany is an author, motivational speaker, ordained minister and licensed professional coach operating an empire that is influencing millions of women behind the scenes and almost completely under the radar. This former Ivy League and Affordable Housing Real Estate Development Executive has had her fair share of life experiences that would make anyone shake to their core. She has overcome various obstacles and challenges; only to emerge as victorious in her business accomplishments here in the states, as well as her mission work abroad. She owns Hustle Mama Productions, boasts a media and publishing portfolio of magazines, books, courses, film, radio, and broadcast television network programming and is completely committed to journey with other women towards their mutual greatness.

### **#HUSTLE MAMA MAGAZINE | The Brand Speaking to Women and Nations**

Dr. Stefany Jones aka The Hustle Mama, is the CEO of Hustle Mama: The Magazine for Today's POWERHOUSE Woman. It is more than a Magazine. It is a Mindset, a Movement, and on a Mission to reach 1 Million Mogul Women Strong.

The magazine was designed to be a portal and resource to help women survive and thrive in any and every economy. Hustle Mama Magazine is proud to highlight and support the efforts of entrepreneurial women who HUSTLE. They Help, Unite, Share, Teach, Lead and Empower their families, communities, and the world!

Hustle Mama translates into more than 40+ languages and is among the first digital publications to fully integrate hyper-technology to engage its readers when it launched in 2012. The monthly magazine is currently in distribution on the Magzter platform, which boasts more than 70+ million subscribers and is the largest digital magazine platform in the world.

### **#THE DIGITAL EMPIRE BUILDER | Heal – Hack – Harness – Build**

Dr. Stefany teaches members of her Hustle Mama Tribe how to Heal their Hearts, Hack their Lives, Harness their Power and Build their Digital Empires using spiritual principles and biblically based business intelligence. Hustle Mama University offers a resource library, workshops and courses to teach women everything they need to know about starting a business, growing a business and scaling a business. The Hustle Mama Tribe Facebook Group is a community that supports, empowers, inspires, and provides a network of opportunities to promote and collaborate with other women who are working towards their goals.

## **#CONTENT WITH A CONSCIENCE | Helping Mankind on Purpose**

The Hustle Mama Movement and Platform are all about teaching women that everyone's birthright is to live on purpose, for purpose, through purpose and in the purpose of their greatness. Dr. Stefany desires to change neighborhoods and communities around the world one brick, one block at a time by creating content with a conscience, independent self-sufficiency courses, and generational wealth opportunities for families everywhere. She provides free education, scholarships, and micro-loans to deserving women living in under-served situations around the globe.

## **#THE ONLY WAY TO THE GREAT YOU ARE IS THROUGH THE GREAT I AM**

After surviving a near-death-experience and coma, Dr. Stefany's vision of living a fulfilled life completely changed. Her life's dream is to help women entrepreneurs from all over the world discover their gifts, live in alignment with those gifts, and thrive in their divine purpose so they can in turn pay it forward and help the rest of humanity do the same!
