

Training Level Test 3- How to Ride the 3 loop Serpentine

The judge is looking for:
Regularity and quality of trot,
Supple change of bend on
centerline, Geometry, balance

- Make sure you know exactly where your touch-points are on the centerline
- Don't ride any corners on your serpentine, all smooth curves
- Remember to change your posting diagonal when you change direction
- When you change direction, your horse must also change the bend.
- Maintain the same quality of trot throughout the serpentine
- RELAX, BREATHE and ENJOY!! 😊
