Snakes & Ladders

The grid contains 100 numbered squares (1-100) with various illustrations of a superhero character in different activities. A large green snake with black spots is coiled across the grid, and a red ladder is also placed across several squares. The superhero character is shown in various poses: climbing a ladder, swimming, eating, running, and standing in a field.

Genki English "Superhero" Islands Game

From CD Volume 9 "I'm a superhero! I can..."

start

1. Each place a coin on the start island.
2. One person rolls the dice and moves along that number of islands.
3. If you can say the word on the new island you can stay! If not, you go back to your previous island.
4. The next person then has a turn.
5. The first person to get to the finish is the winner.
