

The Magic Of Thinking Rich Season 3 Day 16 Documentation

Date – 18/5/2021

Time – 7.30 PM

BSR Sir started the session with celebrations appreciated people for their dedication for the workshop. BSR Sir shared an interesting anecdote from his personal life. BSR Sir also spoke about the importance of time and how our people do not value it. BSR Sir also spoke about the importance of skilled employees and the importance of providing them with necessary resources to perform on auto pilot mode. BSR Sir also unveiled, “**The Magic Of Thinking Rich**” Anthem before the audience.

BSR Sir shared an interesting story about the importance of family relationships. BSR Sir advised people to ignore the little things in a relationship, be it friendship, family ties, partnership.

6 Top Business Lessons

- 1) **Master Entrepreneurship Skill More Than The Technical Skill** – An entrepreneur works with people, an employee works with technicalities.
- 2) **Never become a Businessman, Focus On Becoming An Entrepreneur** – BSR Sir explained the difference between a businessman and an entrepreneur in detail. There are two types of Businessmen; Self-employed and a Business Owner. An Entrepreneur is a Visionary. BSR Sir also shared the importance of hiring an experienced team.
- 3) **Business is About Numbers. Get Financial Education At The Earliest – Always ask a question – Where can I get the financial education-** BSR Sir explained this topic in detail.
- 4) **Never Plan to Build A Business, Always Focus on Building Business Models** – A business will earn when you will be involved in it always, but a business model will earn irrespective of the fact, whether you are personally involved in it.
- 5) **First Work on Yourself, Then Start The Business/ Work On Business because You Are The Business-** BSR Sir explained this topic in detail.
- 6) **Your Business is the gateway to the World** – BSR Sir explained this topic in detail.
