[Gotye]

Now and then I think of when we _____ together
Like when you said you felt so _____ you could die
Told myself that you were right for me
But _____ so lonely in your company
But that was _____ and it's an ache I still remember

You can get addicted to a certain _____ of sadness
Like resignation to the end, always the end
So when we _____ that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad it was over

But you didn't have to _____ me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a _____ and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I _____ to know

Now you're just somebody that I used to know
Now you're just somebody that I used to know

[Kimbra]

Now and then I _____ of all the times you screwed me over
But had me _____ it was always something that I'd done
But I don't wanna live that way
Reading into every _____ you say
You said that you could let it go
And I wouldn't catch you hung up on _____ that you used to know

[Gotye]

But you didn't have to _____ me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a _____ and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then _____ your number
I guess that I don't need that though
Now you're just somebody that I _____ to know

Somebody
(I used to know)
Somebody

(Now you're just somebody that I used to know)

(I used to know)
(That I used to know)
(I used to know)
Somebody...
