

Creating the Masterpiece in You E-Course

5 Steps to a Masterpiece – Overview

This program is filled with tools to help you Create the Masterpiece in You:

✚ **Creative Assessment** – Are you the Paint, Brush, Easel or Canvas. This assessment reveals how you typically respond as well as how others might see you. It also gives insight into your perfect environment for success.

✚ **Discovering Your Masterpiece** – Are you doing things that others expect you to do? Are you living the life you authentically created? This tool helps you discover the talents and skills that are unique to you, while also discovering why you were created.

✚ **Masterpiece Mission Statement** – How are you showing up in the world each day? Do you wake up empowered in your purpose? Is your life encouraging others to live their best life? When you discover why you were created, you'll be able to answer, "Yes" to those three questions.

✚ **Creating Your Authentic Palette** – Are you living authentically? Who do you hang around the most? Are they pushing you to be your best? What you put on your palette matters; choose wisely (and creatively)!

✚ **Be a Masterpiece Not an Imposter** – Be yourself! That's all!

Included Mini Masterpiece Bonus

✚ **10 Ways to Keep the Masterpiece** – Sustaining the Masterpiece you've created!
