Session 1: Jesus Heals Today

This document is for the Leader of this Grow Session. The following is a breakdown of all that this session will cover.

This session at a glance:
This session we will introduce the topic of healing. We will explain that it is biblical and a large part of Jesus' ministry. We end with stating that since we are disciples of Jesus and called to follow him and join his ministry, ministering healing is a part of our expected christian walk.

Session 1: Schedule	Length	Total
Open Up	**10mins**	**0:10**

What are the best perks you ever had at a job?

Teaching Part 1: *Jesus' Healing Ministry*	**12mins**	**0:22**

- Healing is bringing the world back to the wholeness God designed (physical, emotional, spiritual, etc)
- Jesus' ministry was full of healing and leading people to freedom.
- Jesus is often not thought of as a healer, but it is a major part of what he did.
- Healing was connected to everything Jesus was about. He came to bring healing and wholeness to the world because he loved it.

Talk About It	**15mins**	**0:37**

Have you felt that healing is important to Jesus? Does it seem to be a central part of the gospel or something of secondary importance?

Do you think Jesus still expects his disciples to heal the sick?

Teaching Part 2: *Jesus sends His Disciples to Heal*	**17mins**	**0:54**

- Jesus was committed not only to practicing the ministry of healing himself, but also to mobilizing his disciples to join the effort.
- Jesus made his ministry of healing available to his disciples.
- Jesus expects healing to be a part of being his follower. It is a core part of following him.

Talk About It	**15mins**	**1:09**

Do you believe Jesus' healing ministry continues to this day? What did you think of the testimony?

Do you believe Jesus calls you to heal the sick?

Have you or a friend ever experienced Jesus' Healing? Share that story with the group.

Try it Out	**21mins**	**1:30**

Have your group leaders and anyone else active in the healing ministry lay hands on the other group members and release Jesus' healing ministry to them.
