- When you are searching an idea for a new song, ask yourself question like these:
- What do I want to write about?
- Is this a happy or a sad song?
- Who will be the singer?
- Is this about love, happiness, party?
- Where I am in time or place?
- How is the weather?
- What is the problem?
- What is the solution?
- Is this a pop, house, dance song?
- What's the end result?
- Is this a song I wanted to write in the first place?
