

NCC Exam Statistics

The NCC records the exam pass rate each year for their certification exams. Below is a table of pass rates for the Care of the Extremely Low Birth Weight Neonate certification exam (posted with permission from the NCC).

Year	Number of Test Takers	Pass Rate
2019	261	87%
2020	464	81%
2021	155	78%
2022	407	74%
2023	259	77%
