

2020 Coaching Biz Growth Lab – Monthly Theme Focus:
 (as of 10.24.19 – Subject to Change)

The Coaching Biz Growth Lab includes two calls each month, with a monthly focus on different topics to support you in accelerating your business. In addition to the monthly calls, you'll receive access to a monthly article, and template to support you in your business growth. Some months will support you in taking regular action through semi-monthly challenges.

Most coaches opt to join for the year, or a quarter. Calls are generally held on the 1st and 3rd Fridays of the month from 3 – 4 pm ET. During the months of July and August we meet earlier in the day. Some months have additional programming supports you are invited to join in (i.e Planning Sessions, Get it Done Days). As a Lab member you can “add on” 1-1 coaching as needed
