

# Lenny Breau Chords

In this section, you learn about Lenny Breau chords, which are guide tones that have added colors notes on top of each shape.

Below you see the same guide tones used for multiple bars of the same chord, like F and B for bars 1-4 of G7.

Then, I've added different color notes on top of those guide tones that you can use to create riff-based comping and chord soloing.

Check out the video for examples and guidance on how to create phrases with these chords. Then...

Grab your guitar, crank your amp, and have fun exploring these essential guitar chords over All Blues in your comping and chord soloing phrases.
