

MA2-L00-2-Finding-Photos-manual

Digital Scrapbooking Mastery, No. 2 5 Tips for Finding the Right Photos Manual © 2019 Jen White

Tip #1: Same Subject, Same Zoom

- Include the same subject.
- Include a very similar zoom.
- Could be the same exact photo.
- Consider a slightly different in angle, position, or facial expression.

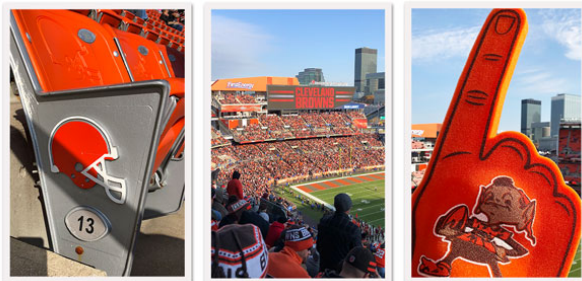

Tip #2: Same Subject, Different Zoom

- Include the same subject.
- Include three noticeably different zooms.
- Could be the same exact photo transformed to three different zooms.

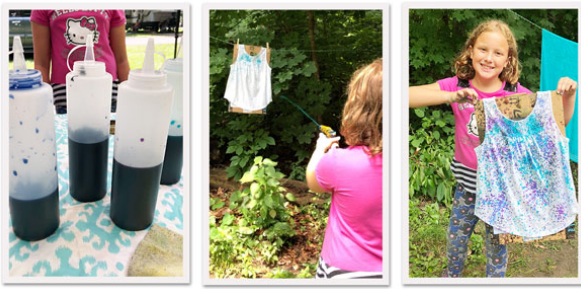

Tip #3: Representing a Single Event

- Include the same event.
- For interest, include different zoom percentages.

Tip #4: Representing a Sequence of Events

- Tell a story through a series of photos.
- Place them in order like a timeline.

Tip #4: One Photo in Three Frames

- Include one photo.
- Clip duplicates of the photo to different clipping masks.

Photo Assignment

- Choose three photos for your Mastery 1 scrapbook page.
- Fix the photos before starting the class.
