## Enjoy the RV Journey!

Welcome back,

We just returned from a trip to Colorado visiting Dawn's family. It was a fun trip, and I think it was the first trip we took without an RV in a couple of decades. This time we took

a truck and stayed in a small Airbnb.

If you are curious as to why we took the truck as opposed to the RV don't miss his month's feature article, it explains why.

Enjoy the newsletter, and as always if you have family or friends who like RVs and the RV lifestyle please share with them too.

## RV 101 - Understanding RV Extension Cords

## RV 101 - RV Extension Cords

Extension cords are convenient when the RV's power cord is not long enough to reach the power pedestal, but understanding what type of extension cord to use on your RV is important. In this RV 101 video watch as Mark explains and demonstrates everything you need to know about RV extension cords. [WATCH NOW](#)
