

SOLO ADS STEP BY STEP

CHEAT SHEET

1.	Open Aweber account (1 month free)
2.	Open tracking account: Clickmagick (2 week trial)
3.	Open Clickfunnels account (2 week trial)
4.	Create a Free gift for your subscribers - Find free PLR ebook www.idplr.com
5.	Create a squeeze page inside Clickfunnels and connect it with your Aweber account
6.	Create a "thank you page" inside Clickfunnels
7.	Add a tracking pixel from Clickmagick on your thank you page
8.	Test your funnel - are emails saved inside Aweber , is tracking pixel 'firing'?
9.	Start growing your list with Clickbanking - find 5 people to send clicks first and find 5 people to receive clicks first = Build your list for free
10.	Start emailing 1 email every day to finish sending clicks faster to your clickbanking partners (see what other people send, and do similar - never copy!)
11.	When you can get 50+ clicks from your list, you can start selling 100 click packages
12.	Reinvest all the money at the start to grow your list faster, later reinvest less...
13.	When you can put out 300 clicks from your list, that's about \$100 per day = \$3k per month
14.	Improve - work on selling higher priced clicks, work on copywriting, build your list faster - See webinar inside members area where I point to 3 biggest mistakes you need to avoid if you want to become successful solo ads seller
