Course Information

There are three aspects to this course that you will need to complete to receive your certificate of completion in Advanced Hypnosis. You will have a downloadable certificate of completion, your Advanced Certification from HPC will come in the mail after you complete the Master Hypnotherapy Certification course.

1. Online Training

Upon registration you were given access to the online HPC learning site. This platform lays out all your requirements in an easy-to-follow step-by-step structure. If you have questions about how to use the platform you can email our staff at info@hypnotherapyprocollege.com.

Advanced course students are required to complete the required reading, practicum, self-hypnosis, workshops and video assignments complete with quizzes.

Once enrolled your course will open up, you start at the top, working your way through the course, quizzes.

We ask that you join our Facebook page for upcoming overviews, trainings online and in person, Hypnotherapy news.

2. Live Training

You are required to attend live training: by either or all live trainings in Jupiter, FL, zoom overviews or one on one coaching. Dates for events are posted on Facebook and you will be emailed the dates and locations throughout the year. If you are not already a member of the group, please request to join. Our group is called Hypnotherapy Professional College.

The in-class training will be primarily hands-on practical learning. You'll be able to view demonstrations, watch your instructor do real sessions with students, build a bond in our community to support one another, and practice techniques so you leave each event feeling proficient in your new skills.

3. Practicum

You will find step-by-step instructions for completing your practicum in the online training platform. You can begin your practicum after completing the lessons under Student Training Manual. You will find a Session Tally spread sheet to help you keep track of your practicum hours and clients. You will find this under each course under forms.
