_____ is the power to do things other people are scared to do. Courage is also the _____ you have inside you when you are scared to do something, but you do it _____.

#1 — Persevere and never give up.

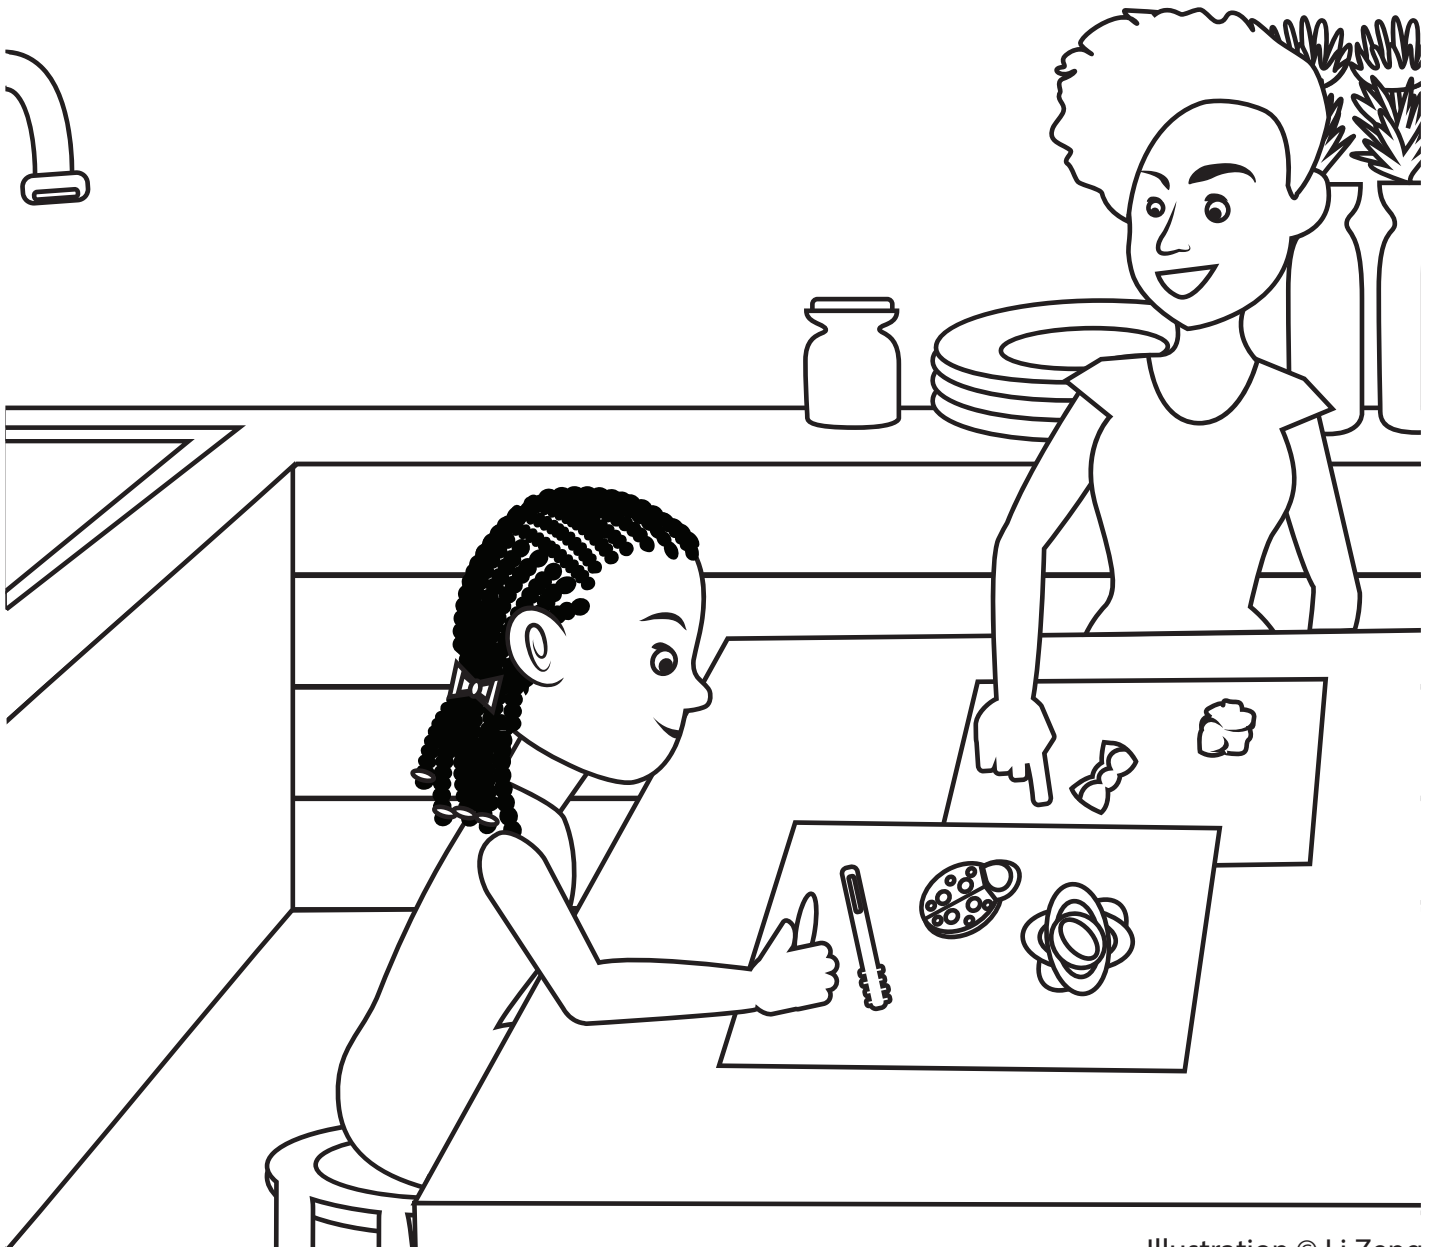

Illustration © Li Zeng

To persevere means to keep going

_____.

#2 — Don't be afraid of hearing “no.”

Illustration © Li Zeng

NO is just an abbreviation for

_____.

#3 – Learn new things.

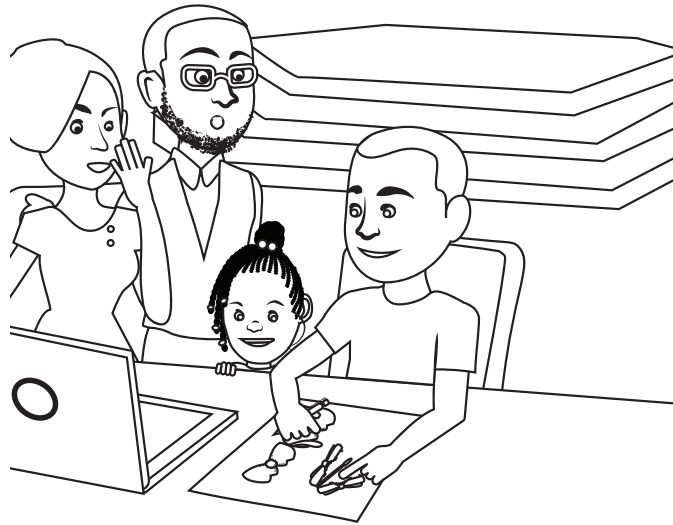

Illustration © Li Zeng

CEO _____ — Someone who makes decisions for the business.

LLC _____ — paperwork business owners file with the state government so they are only responsible for their own _____ and not the debt of the business.

Marketing — _____ and _____ products or services.

Profit — “_____ made after _____ paid.”

Break-even — To make as much _____ as you _____ on your product or service.

Market — _____ you are selling your product or service to.

Patent — A _____ you get from the _____ government to make sure no one steals your idea.

#4 — Speak up.

Illustration © Li Zeng

1. _____, _____, practice.
2. If you _____ more, it will become _____.
3. _____ yourself so you can become more _____ and _____.

#5 – Don't be afraid to lose.

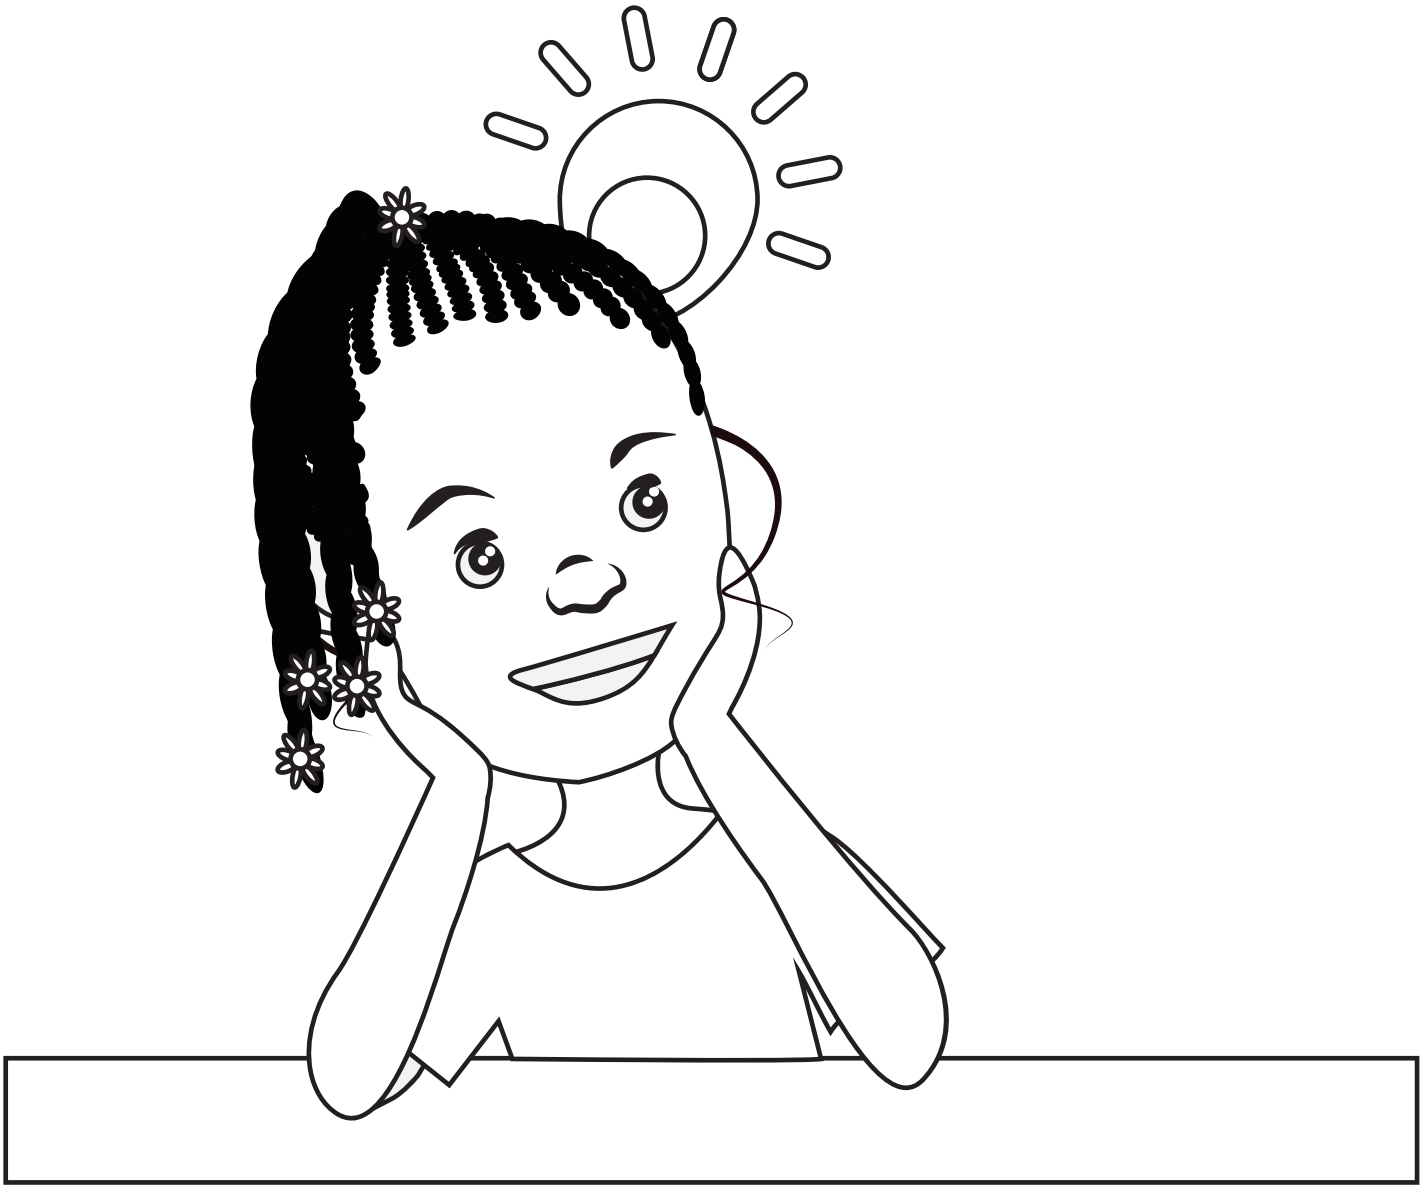

Illustration © Li Zeng

1. _____ yourself so you can keep going.
2. No matter what happens, know you're _____
_____.
3. “NO just means _____!”

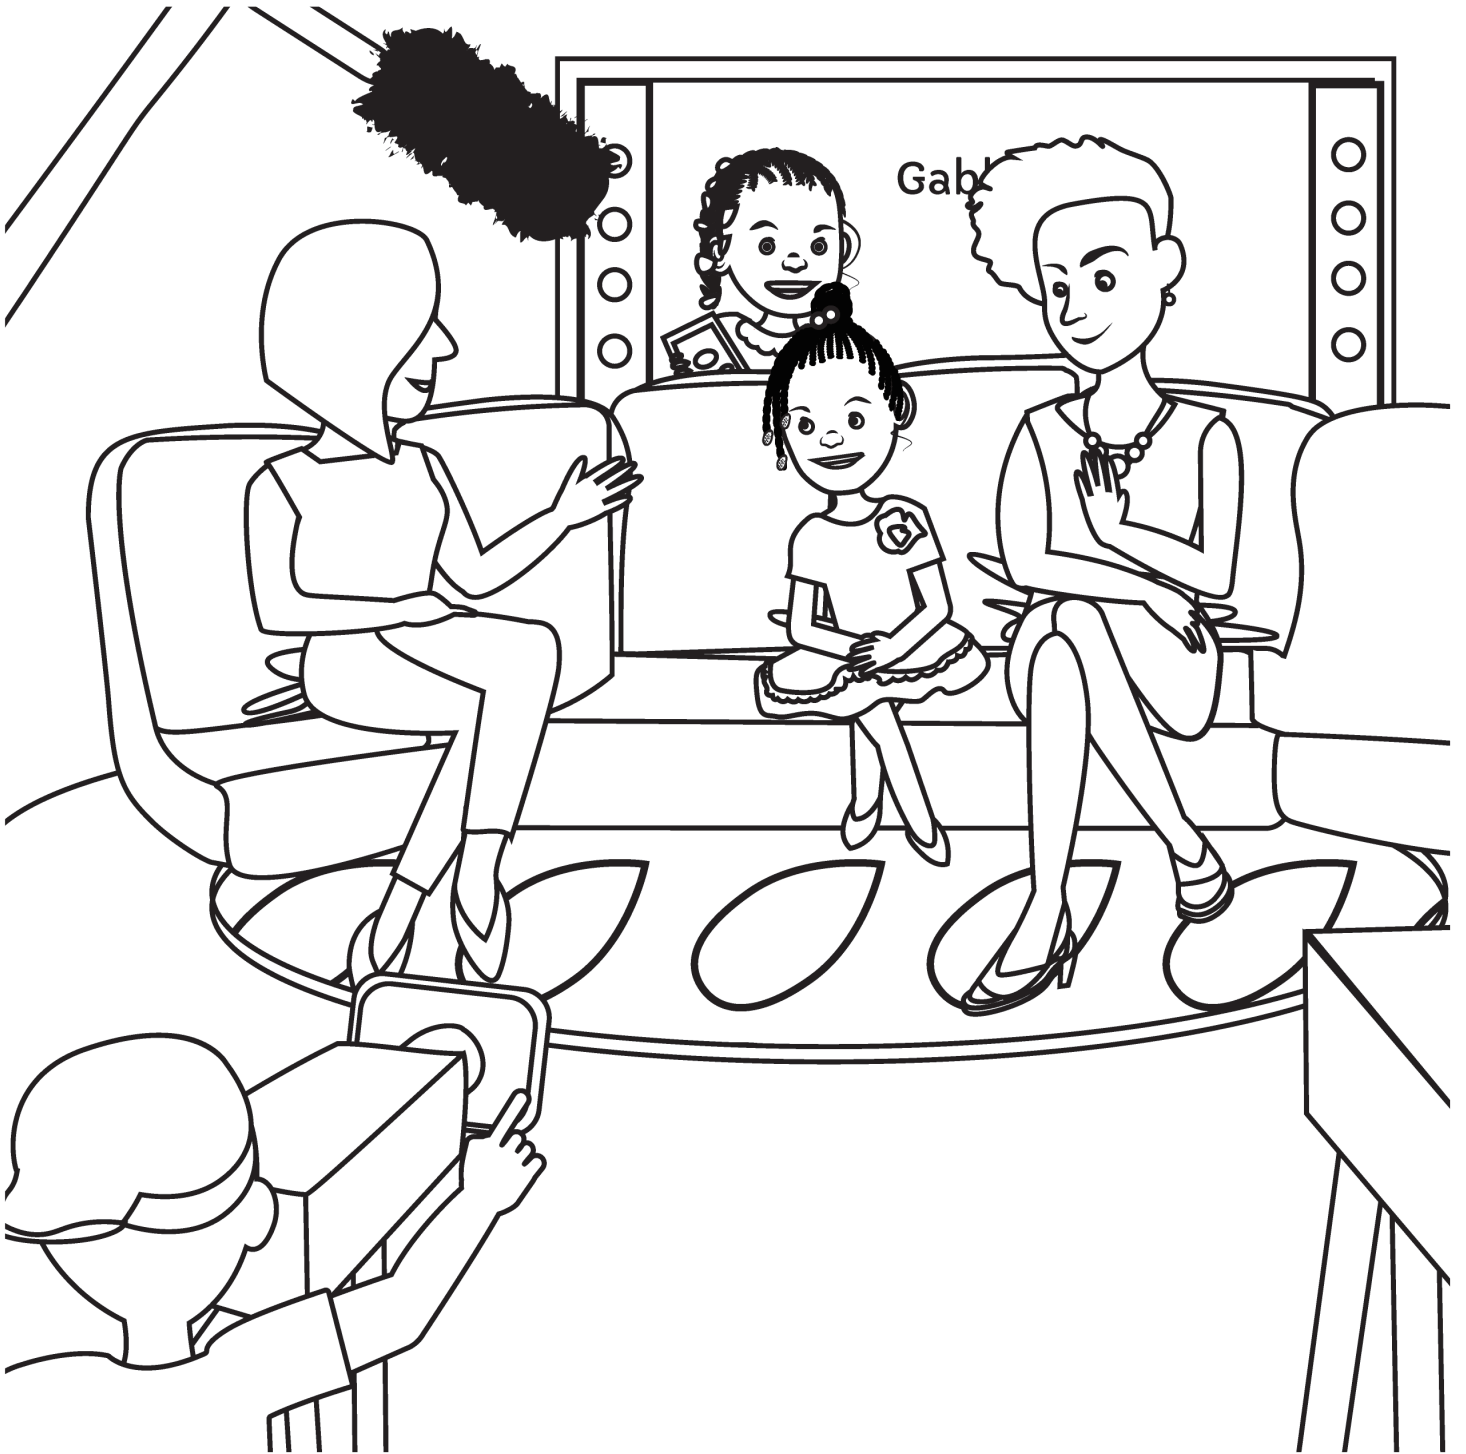

#6 – Be friendly.

Illustration © Li Zeng

_____ is talking with people and sharing your product or service.

_____ back is another way to be friendly. It doesn't matter if you feel shy, afraid or not confident, you can still have BIG courage if you decide to go after your dreams anyway!
